

SCOREBOARD GREETINGS REQUEST FORM

The Americans understand that there will be many occasions when our fans will want to have a special announcement made over the PA system during a game.

While we would like to honor all requests free of charge, it's simply not possible due to the anticipated volume and our commitment of PA time to public information services and team sponsors. As a result, we do require a PA fee of \$10 for each request. All funds collected will go towards the Americans' Continuing Education Fund. Please pay with cash, check or money order. We are unable to take payments made with a credit card at this time. The payment must be made prior to the game you request.

We also ask that you complete the following information and return this form to the Americans at least 24 hours prior to the date of the announcement. The Americans reserve the right to reject any announcement which might be considered inappropriate for a public venue.
